Service report and check list

REG NO.	
Make	
Model	
Eng. cc. / Eng. code No	cc.
Chassis / VIN no.	
Mileage / Odometer	
Technician / Mechanic	

Vehicle lights & body check (X)

This service schedule has been designed by Volks City for vehicles in excess of three years old.

1	1 = Small or Lube Service	£	
2	1+2 = Medium Service	£	
3	1+2+3 = Full Service	£	

C=clean/drain I=inspect/report R=renew
 S=service/replace (this may entail additional cost) A=adjust
 T=top-up Y=yes ^=not all models L= Lubricate
 √ = OK X= see report #=only if service access exists
 £= may incur additional costs

VEHICLE ON FLOOR

√ or X

Road Test at Start	Y	
Fault Diagnosis Codes - check save & clear down. Recheck after final road test.	I	
LIGHTS Main/Dip/Side/Tail/Stop/Flasher/repeater/Hazard/Number Plate/Dash &c.,	I	
ABS + Airbag warning system	I	
Horn+Wipers cond.+ wash wipe & delay	I	
Footbrake and handbrake travel	I	
Clutch pedal travel & operation	I	
All Interior/Dash & boot lights	I	
Instruments switches & gauges	I	
Climatronic/Heater/Air-con	I	
Doors Bonnet Boot Locks & Hinges	IL	
Exhaust System & Exhaust Catalyst	I	
Tyres - Pressures & condition (5) Jack, wheel brace & towing eye	IA	
For vehicles without spare wheel, check puncture repair canister expiry date & Tyre Compressor operation	I	
Track align & Camber	I£	
Headlamp alignment	I£	

VEHICLE RAISED

√ or X

Engine/transmission oil leaks	I	
Clutch hydraulics	I	
Gear Box / Transmission oils	T	
Gear Box / Transmission oils DSG/Tiptronic oil & filter	R^£	
Engine oil & Filter	R	
Steering joints & track control bushes	I	
Steering rack/box + column couplings	I	
Drive shafts/joints/gaiters & bolts	I	
Suspension springs/mountings	I	
Shock absorbers/mountings	I	
Brake pipes lines & hoses	I	
Fuel lines & hoses	I	
Power Steering Hoses	I	
Turbo Hoses and connections	I	
Fuel Filter - petrol - under vehicle	R	
VEHICLE HALF RAISED		
√ or X		
Brake Pad thickness front & rear	I#	
Wheel Bearings front & rear	IA#	
FULL BRAKE STRIP & SERVICE Front & Rear - check pads/shoes/ cylinders/discs/drums/cables &c for leaks, wear and operation.	IS£	
Renew Brake Hydraulic Fluid	Y	
Brake Bleed Nipples & Dust covers	S£	
Front Wheel lock to lock operation	I	
Brakes - Lock and Release - 4 wheels	I	

UNDER BONNET & CLOSURE

√ or X

Battery : condition/electrolyte level/SG	IT	
Washer Bottles - front & rear	IT	
Brake Clutch & Power Steering Fluids	IT	
Coolant level & coolant s.g.%	IT	
Coolant & Breather Hoses + Breather	I	
Pressure Test Cooling System & Cap	I	
Auxiliary drive belts	IA£	
Cam/Toothed Belt & tensioner	I#	
Fuel Filter - Petrol - under bonnet	R	
Fuel Filter - Diesel	C	
Fuel Filter - Diesel	S£	
Air Filter	S£	
Pollen/passenger compt. Filter	S£	
Spark Plugs Leads Cap & Coil	S£	
Engine compression test - petrol engs.	Y^	
Engine valve clearances Not hydraulic	IA£	
Full Autodiagnos® Test & Report + check oxygen sensor, eng temp. sensor & coolant thermostat operation.	Y^£	
Ign. dwell & timing Use strobe if no ECU detail	I	
Clean engine bay & road test at end	Y	
Check for leaks & cancel service lights	Y	
Cooling Fan operation	I	
Sunroof Mechanism/Radio Aerial	IL	
Re-torque wheel bolts	Y	

WARNING—SELF LEVELLING SUSPENSIONS MUST BE TURNED OFF BEFORE LIFTING (e.g. Taureg).
